BARRETT ASSET MANAGEMENT STRENGTHENS ITS INTERNAL RESEARCH CAPABILITIES WITH NEW HIRE

Owen Gilmore joins Barrett as Research Associate

June 15, 2016 – New York, NY – Barrett Asset Management, LLC is pleased to announce that Owen Gilmore, CFA, has joined Barrett Asset Management as a Research Associate. Owen will be reporting to Wells Beck, CFA, Barrett's Director of Research and a Managing Director.

Wells said, "Owen brings strong analytical skills to this position, and in addition to deepening our research bench, nicely complements our firm's culture. We are excited to have him as part of our growing team." Owen will be responsible for sourcing and researching new investment ideas for clients, as well as maintaining coverage on investments clients hold. His main focus will be on equities, while providing expertise on fixed income investments as well. Lastly, Owen will also be supporting several Portfolio Managers at Barrett with portfolio analysis and client requests.

Owen joined Barrett after recently receiving his MBA from New York University's Stern School of Business. Prior to attending business school, Owen was an Investment Analyst at Boston University's Investment Office where he evaluated existing and potential new investment managers across all asset classes through portfolio analysis and manager meetings.

About Barrett Asset Management

The firm's vision, mission and purpose are to create tailored investment and wealth solutions for the high-net-worth individuals and families, trusts, and non-profit institutions it serves by offering independent thinking and investment management strategies to support their increasingly complex financial lives.

Since 1937, Barrett has been putting its clients first—working to help each of them achieve their goals and aspirations. Barrett is an independent, multi-generational investment advisor whose professionals pride themselves on their accessibility.
